CJNM Consulting Associates Ltd is a Business Development consultancy, formed in 2008 with registered offices in London and Barbados. We offer specialist Business Development and Event management consulting services to the energy sector, manufacturing and professional service sectors. Providing, distribution facilitation, event management, job and project sourcing and sales facilitation in the EU and Caribbean marketplace.

We believe our role is that of solution providers regarding connecting new market opportunities and developing new sales and export opportunities for service providers and companies targeting the UK, EU and Caribbean markets within the current Economic Partnership Agreement (EPA) regime. Our goal is to come alongside our clients and assist with their technical and market challenges in accessing these markets and acting for them on the ground in effecting the sales operational functions they need to get orders from new suppliers or be able to offer their professional services and labour in these marketplaces.
